

How to get to El Camino Pines - I-5

All roads lead to El Camino Pines (providing you know which roads to take)! In this case there is only one road to El Camino Pines and it is Cuddy Valley Road. Whether you are coming from the north or south you must end up on the I-5 until you get to the Frazier Park exit. After exiting go west young man, to Cuddy Valley Road for about 12 miles. You will pass the communities of Frazier Park and Lake of the Woods. Where Cuddy Valley and Mil Potrero Hwy intersect, you will see signs pointing toward camp on Frontier Road. Continue up the unpaved dirt road until you reach the camp. Do not give up or turn back!
